## **2022 LPAPA Loyalty Rewards Program**

The “LPAPA Loyalty Rewards” program is a way for LPAPA to thank its active Members for the added support provided when they enter juried shows, and attend LPAPA events, classes or workshops. Members pay a discounted member price for all LPAPA programs *and* earn \$5 in loyalty reward credits each time they log in, register and pay for a LPAPA program or pay an entry fee for a LPAPA juried show.

Reward credits are posted to the member’s LPAPA Portal Account Profile after the show or event has ended. Reward credits can accumulate and may be used for future membership renewal, LPAPA Storefront purchases, or when purchasing LPAPA Event Tickets or Program Registration.

Reward credits may be used for storefront purchase but are not earned for merchandise purchases. Reward credits are not available for collaborative programs presented in partnership with other organizations. Reward credits may not be redeemed for cash payment and will expire if there is a lapse in membership that exceeds 90 days after a member’s date of renewal.

Your support helps further LPAPA’s Mission to promote and preserve Laguna’s artistic legacy and the plein air painting tradition — regionally, nationally and internationally!

***When you join LPAPA... YOU become part of the legacy and tradition!***

***Thank you for your support!***
