2023 LPAPA Loyalty Rewards Program

The “LPAPA Loyalty Rewards” program is a way for LPAPA to encourage and thank its active Members for the added support provided when they enter LPAPA’s juried shows. Entry fees provide support for the show administrative costs and cash awards, and helps support the LPAPA Gallery.

A \$5.00 reward credit is added to the Member’s account for each LPAPA juried show that the Member enters, and pays the entry fee, through OnlineJuriedShows. The reward credits are posted to the Member’s account when the show is reconciled; between 10-30 days after the show ends depending on the size of the show. A Member can view their available credit balance by logging in to their LPAPA Member Account at LPAPA-Portal.org.

Reward credits accumulate in the Member’s account and may be used for future membership renewal, LPAPA Storefront online purchases, or when purchasing LPAPA Event Tickets or LPAPA Program Registrations.

In addition to earning rewards for submitting to LPAPA’s juried art shows, Members receive discounted pricing for all LPAPA ticketed programs, education registrations, and LPAPA merchandise purchases. Credits are applied automatically when purchases are made online.

Reward credits may not be redeemed for cash payment and will expire if there is a lapse in membership of 1 year after the Member’s renewal date.

Your support helps further LPAPA’s Mission to promote and preserve Laguna’s artistic legacy and the plein air painting tradition — *regionally, nationally and internationally!*

**When you join LPAPA...
YOU become part of the legacy and tradition!**

Thank you for your support!
