

LAGUNA PLEIN AIR PAINTERS ASSOCIATION

Calvin Liang ~ Showcase Exhibition

Outdoor Plein Air Workshop ~ March 18th - 20th

Join Calvin Liang, award-winning oil painter and LPAPA Signature Artist, for this fun and informative plein air painting workshop. Calvin will begin with an outdoor demonstration on day one and will spend one on one time with each student the rest of the day. Plein air painting is a foundational part of training the eye to better understand the concepts of composition, design, and color harmony. Calvin's lessons will include: how to better see warm colors, how to command edges to create space in a painting, and how to simplify subject matter through the use of basic design, value, color and drawing skills.
